On Sunday, September 27, 2015, Hyundai Hope On Wheels® will be hosting a 5K/10K charity fun run to benefit Children's Hospital of Orange County, with funding for their critical pediatric cancer research. The 10K Race will begin at the Fountain Valley Recreation Center and Sports Park, turnaround at the Hyundai Motor America building, and return the Fountain Valley Recreation Center and Sports Park to finish.

To ensure the safety of the runners on the street, road closures will need to be in effect on the northbound lane of Ward Street between Talbert Ave and Warner Ave from 5 AM to 12 (NOON).

We apologize for any inconvenience this might cause. We encourage you to plan ahead in anticipation of possible delays that morning. Limited access will be available to the local community.

The City asks for the public's cooperation and consideration during this special event. Please drive carefully through the race course and controlled areas and plan your travel accordingly so that your departure and arrival times are not impacted.

We invite you to join us and participate in this fun charitable event. See the attached flyer for more information. We appreciate your support of this wonderful cause with your patience and understanding.

**If you have any questions, please call the Hyundai Hope on Wheels 5/10k
