Fountain Valley Police Department Holds Graduation Ceremony for New Members of our Retired Senior Volunteer Program (RSVP)

On Wednesday, October 7 at 3 pm, the Fountain Valley Police Department held a graduation ceremony for eleven new RSVP members. The new RSVP members had to pass a competitive testing process and then complete 2 weeks of training on how to safely fulfill their new responsibilities.

With the addition of eleven new members, the Fountain Valley Police Department now has a total of 52 RSVP members volunteering their time to improve our community.

The graduation ceremony for RSVP Class #16 was held in the Fountain Valley City Council Chambers. Chief of Police Daniel S. Llorens administered the Oath of Office to each of the new team members.
