**Escape the Summer Heat at Various Cooling Centers**

Summer season has begun and the temperature continues to rise.

We will experience record-setting heat this summer and Southern California Edison along with [California Independent System Operator](#) will initiate voluntary conservation to, under extreme conditions, requesting rotating power interruptions.

If you are impacted by the rotating power interruptions or just looking for a cooling center this summer, we have the following locations in Fountain Valley and surrounding cities (Fountain Valley Police Department's lobby is also available during operation hours) \* See Below
