Did you know that Alfred Hitchcock's film which is supposed to take place at a New York City apartment courtyard was entirely shot indoors on a giant soundstage at the Paramount lot in Hollywood? Hitchcock considered this film one of his favorites and his most cinematic work. Join Theo Segel, the Movie Guy, as he shares interesting facts from "Rear Window" with James Stewart and Grace Kelly. The showing of "Rear Window" will follow.

This is a free showing of Rear Window, for adults 55 and older, and will be held at The Center at Founders Village Senior and Community Center, 17967 Bushard Street, Fountain Valley, on Tuesday, November 21, 2017 from 2pm to 4:30pm. To reserve your seat, please call 714-593-4446.
