HICAP Seminar – Medicare Fraud

Medicare is a complex maze of ever changing regulations and coverage options that requires individuals to make critical decisions about their health care direction annually. Unfortunately, criminals are always seeking ways to take advantage.

Join us on Monday, August 12, 2019 from 11am to noon, as Michelle Stone, HICAP Outreach Coordinator, discusses what is Medicare fraud, how fraud undermines Medicare, how you can spot the scam, and knowing where you can get help. Your Medicare benefits are targeted daily. Be aware! Know the signs! Protect yourself!

The seminar will be held at The Center at Founders Village, 17967 Bushard Street, Fountain Valley. Please RSVP at the Reception Desk or call us at The Center at 714-593-4446.

For additional information on this seminar, or other recreation activities, please contact the Fountain Valley Recreation and Community Services Department at 714-593-4446 or visit www.fountainvalley.org.
